KINDERGARTEN CHRISTMAS WORKSHOP

Not just the adults are busy getting ready for Christmas, even the little ones are busy making Santa Claus decor-

ations. Here are Jeff Saunders and Melissa Argy, both 5 years old, finish-

ing Santa Claus puppets in one of our St. Albert kindergartens.

- Council approved in principle, a proposed 2 storey apartment dwelling on Mission Avenue, and recommended issuance of a building permit, providing the developer, Koester Construction, complies with the recommendations of the Technical Advisory Committee.

- Council received the Building Inspector's report for the month of November, 1963. 48 residential dwellings were issued permits for a total of \$534,000.. 2 commercial building permits were issued for \$194,000., 4 garage permits and 2 rumpus permits. A total of 314 residential permits were issued to the end of November, 1963, compared with 433 to the end of November 1962. Mr. Gee drew Council's attention to the fact that November's figure is the highest of the current year.

- Council received the R.C.M.P. report

for November, 1963, from Cpl. Lyndon, who was on hand to answer Council's questions regarding the policing of St. Albert. Cpl. Lyndon reported a very satisfactory first month in charge of the St. Albert detachment.

- Mr. Gee read the report of the Fire Chief. There were no fires in November, the first fire free month of 1963. Councillors Stewart and Wheating voiced concern over the limited personnel available during the work day. Only 5 of the 22

DECEMBER 14th.**

continued from page 1

volunteers work in St. Albert and are readily available in the event of a fire call. Mr. Gee was directed to discuss this with Chief Tetarenko. Councillor Powell requested that in future, Chief Tetarenko be present when his report is read, to answer any questions Council might have.

No date was set for the Official Opening of the fire hall.

- The Finance and Public Works Committee recommended the Town enter into agreement with a resident allowing payment of improvements over a 5 or 10 year period. The resident had paid the contractor for these improvements but the Town had not received payment. Council agreed with the committee's recommendation.

- A request for compensation for inconvenience and crop loss due to storm sewer construction and subsequent runoff was read from Mr. Topoff, whose land runs adjacent to the west side of development in Grandin Park. The Committee recommended, and Council agreed, on \$215. and \$70. per acre annually.

- A letter from Suburban Equipment and Supply regarding a mower purchased and subsequently found unsatisfactory, was read. Mr. Gates, Parks Superintendent, was present and explained the mower's defects to Council. Mr. Wheatington volunteered to visit the company's representative, view the mower and report back to Council.

- A list of proposed salary increments was circulated among Council and Councilor deBruijn moved its acceptance. The motion was carried 5 to 1. Mr. Gee noted an authoritative study of salary schedules is being planned.

- Council was invited to attend a Christ-

mas party of the outside staff on December 14th. The Town Hall staff party on December 23rd was okayed when Council agreed that this be the last meeting of 1963 unless an emergency should arise. Council meets again the second Monday in January 1964.

- Council discussed plans to entertain the school board members and their wives on December 18th. Councillor Skrobot pointed out that using taxpayers money would not be ethical, and the matter was referred to Mr. Gee to arrange the details.

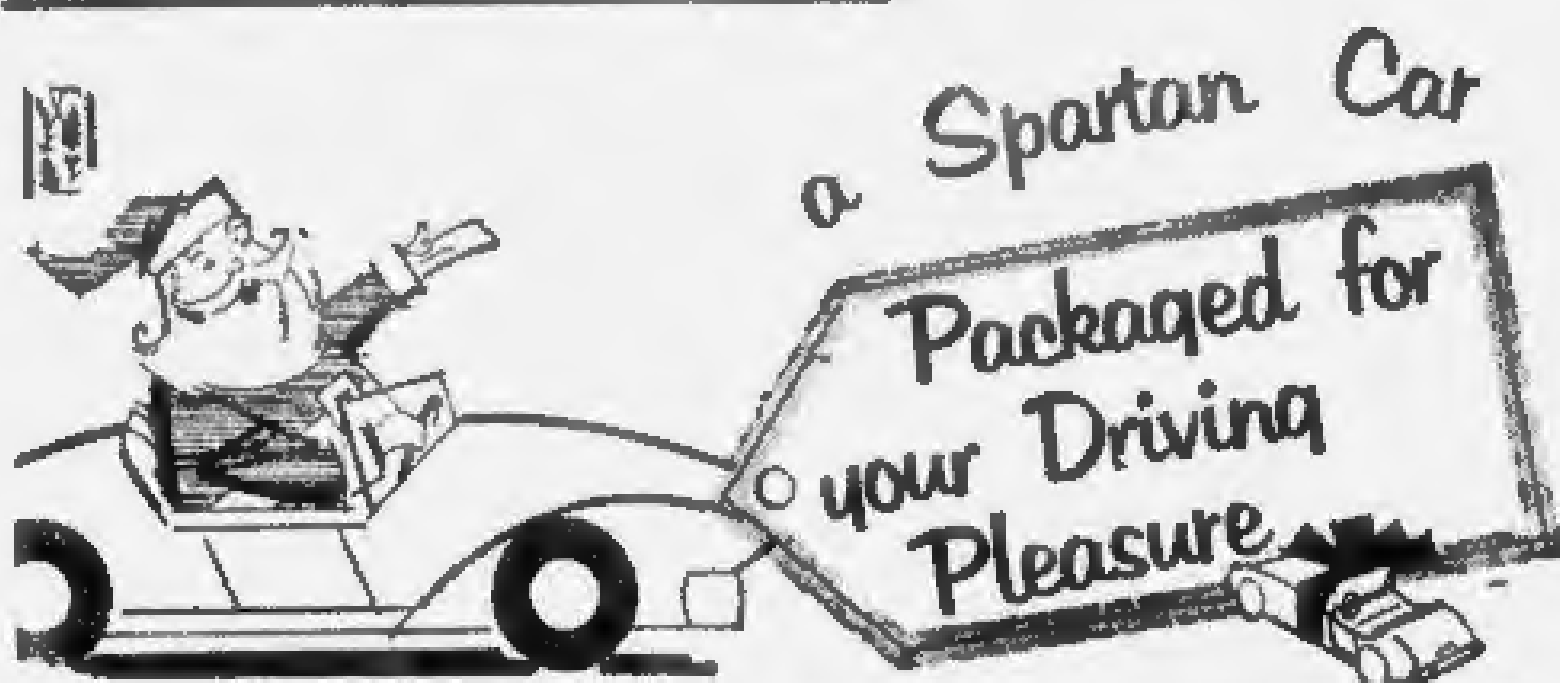

- The date for Open House at the Town Hall was set for January 12th. Mr. Gee and his staff will plan for the affair.

PRESBYTERIAN JUNIOR CHOIR

The youngest Protestant congregation in St. Albert, the Presbyterian Church, already has their own Junior Choir, under the enthusiastic leadership of Mrs. Jean Dobbie and Mrs. W. Fraser, accompanist. At the moment the choir is very busy practising Christmas carols. The Presby

terian congregation is very happy to have this excellent choir.

Front row, left to right: Joanne Harvey, Geraldine Peterson, Wayne Biseonette, Cora Nuis. Back row: Matthew Gibbon, Mrs. Fraser, Brenda Gibbon, Lorna Harvey, Lindsay Kenny, Francis Vanderstraten. Missing is Mrs. Dobbie.

STURGEON HEALTH UNIT

There were 8 cases of Measles and 2 cases of Rubella reported to the Health Unit during the previous week. During the same period, 7 Deaths and 18 Births were also reported to the Health Unit.

In the previous week there were 9 cases of Measles, 4 cases of Chicken Pox, 1 case of Mumps, 1 case of Strep Throat and 1 case of Rubella reported. During the same period, 10 Births and 6 Deaths were reported.

Please check the Services Page for hours at the Sturgeon Health Unit.

SEMINAR ON ALCOHOL PROBLEMS

A seminar on Alcohol Problems held by the Edmonton Branch of the Alcoholism Foundation of Alberta was attended by the Nursing Staff of the Sturgeon Health Unit.

Alcoholism was defined as "The Progressive Loss of Ability to Drink According to Intention." Another definition was "Drinking which creates a problem within the family." It was noted that 3% of Alberta's adult population was afflicted with this illness and approximately 1 alcoholic in five is a woman. Among the characteristics of the disease are a gradual progressive onset, until eventually the victim finds it necessary to drink at any or all times of the day and is unable to do without liquor. The person concerned is usually the last one to realize or admit the condition. He is able to rationalize and justify his drinking habits in various ways. Some of the early signs pointing to alcoholism are (1) pre-occupation with alcohol, for example, the need to have a drink before going to a party, ensuring there is an adequate supply for the party, having one for the road. (2) Blackouts - loss of memory during part of all of the period of intoxication. However, each individual has a different tolerance to alcohol, and no hard and set pattern can be made.

The family of the alcoholic is usually affected by various problems arising from the excessive drinking.

It was pointed out that alcoholism is a disease which is curable, dependent on the individual's co-operation and desire to overcome the problem. The Alcoholism Foundation offers a counselling service to anyone who is involved with the problem of alcoholism - wives and children as well as the person concerned.

OPERATION SUGAR LUMP

Dr. Elizabeth Hill, Medical Officer of Health for the Sturgeon Health Unit, announced to-day that a supply of the Sabin oral polio vaccine will be received within the next few weeks. This vaccine will be available for all

continued from page 4

adults who have completed a series of inoculations with SALK vaccine at least one month prior to the date of taking the oral vaccine, and for all children who have completed a series of inoculations with either Salk or a combined vaccine.

Each eligible person will be offered TWO doses of the vaccine. This vaccine is also available as a second dose for those persons who received only one dose of the vaccine in January or March 1963. The first feeding will begin on January 20, 1964 and the second on March 1964, and each will continue for approximately two weeks in different areas of the Unit.

Feeding stations will be set up at appropriate centres, the dates, locations and times of these clinics will be published in your local newspaper and on the radio. Some evening sessions will be held to accommodate persons unable to attend the day clinics.

Persons will not be eligible for the vaccine if:

- 1) They have not completed their series of Salk inoculations.
- 2) If a smallpox vaccination has been done within 21 days before the date of feeding.

It is urgently advised that anyone who has not completed their series of SALK inoculations should have these completed before the end of December 1963.

Anyone who is uncertain of their eligibility for the SABIN oral polio vaccine is urged to contact the Sturgeon Health Unit or their own physician, as soon as possible.

United Church

The Junior and Intermediate Departments of the Church School attended the Morning Service on December 8, and observed White Gift Sunday. Dr. Schwarz preached. He pointed out the condition of man as described by Isaiah in Chapter 9. He went on to show that the response of the Wisemen to the coming of Jesus, as described by St. Matthew in the second chapter of his Gospel, consisted of three things; joy, worship, and giving. The congregation was called upon to include these in their celebrations. The choir, led by Mrs. P. Upright, sang "O Thou That Tellest Good Tidings to Zion". On Sunday, December 15th, the Kindergarten and Primary Departments of the Church School will observe White Gift Sunday. Each year at this service, the congregation bring articles of food, clothing and toys, wrapped in white, to be presented in the chancel. The ladies of the congregation prepare hampers of these articles and they are distributed to homes where they are needed. The St. Albert congregation has had a tradition of co-operating with other organizations that are doing the same thing so that each home where a hamper could be used is supplied without regard to church affiliation.

THE MESSIAH

When the United Church Choir presents Part I of Handel's "Messiah" on Dec. 22, they will be continuing a tradition that is over two hundred years old. Handel's masterpiece was first performed in England in 1743, and has since established itself throughout the world as the best loved work in all choral repertoire. Singers in the St. Albert choir have sung in performances of the "Messiah" in such widely separated countries as England, Australia, Holland and Venezuela, as well as many parts of Canada. The "Messiah" is written in three parts: the first relates the Old Testament prophecies of Christ's coming and his Nativity; Part II, dealing with His sufferings and death, concludes with the famous "Hallelujah" chorus; and Part III depicts His resurrection and exaltation. The whole community is invited to hear Part I of the Messiah at the United Church on December 22, at 8 p.m.

LACOMBE CLOTHING CENTRE

The Lacombe Clothing Centre, located in the basement of the Roman Catholic Rectory, has a complete line of clothing, shoes, etc. for needy St. Albert families. If you know of any families in St. Albert, please get in touch with Mrs. Scheibelhofer at 599-7335, or Mrs. Galant at 599-6844.

Reliable residents who wish to open their hearts and their homes to this worthy child care programme, are invited to make further enquiries through the local Welfare Office. Appointments may be made by phoning 599-6601, for your convenience.

All enquiries and applications are held in strict confidence.

JAMES B. GEE,
Senior Administrative Officer,

SUNDAY PROGRAM AT THE EDMONTON PUBLIC LIBRARY

From December 2nd to 16th an exhibition of books published in China is on display at the central building of the Public Library. Sponsored by the Canadian Cultural Relations with Foreign

Countries, the collection consists of eighty-seven volumes of history, novels, poetry, plays and operas, science, art and politics. This is a beautifully illustrated and unusual exhibit.

EDMONTON PUBLIC LIBRARY

Sunday Films December 15 3-4 p.m.

Experiment in Towns Britain is building 15 new towns: the reasons "why" are explained, and how the towns are being built. By avoiding the congestion of the big cities, these new town-dwellers are enjoying a fuller use of their leisure time in pleasant surroundings and well-designed homes.

As Old as The Hills A technicolour cartoon portraying the history of oil and stressing its geological origin. Diagrams give a factual account of the development of the oil fields in Iran. About 100 million years ago matter fell to the ground and eventually became decayed vegetable and animal matter. Mud and rock were added through the years adding pressure and chemical components of oil. Surface on earth gives no indication of oil beneath.

Britain on Show The theme of this film is Britain's contribution to the Brussels International Exhibition of 1958. The camera takes a series of vivid examples to paint a picture of the British people and their achievements in modern agriculture, industry, science, technology, public administration, etc. These films also shown at the Jasper Place Library, Friday, December 13, at 8 p.m.

SUNDAY CONCERT AT THE PUBLIC LIBRARY

On Sunday afternoon, December 15, from 2 to 3 p.m., the Public Library continues its recorded series The History of Sound in Music. This week the music will illustrate The Growth of Instrumental Music (1630-1750) with examples of English ode and oratorio, Italian, English and German solo song as well as keyboard music for the clavichord, harpsichord and organ.

ST. ALBERT MINOR HOCKEY LEAGUE

The St. Albert Minor Hockey League got their Bantam and Mite league schedules underway this week after two weeks of practises. Saturday was a big day for the Shavers as head coach, Roger Gelinas came up with five of the Edmonton Juniors to assist the coaches, and the Juniors did a fine job of schooling the youngsters on the fundamentals of skating and stick handling. The Oilers indicate that they enjoyed the outing and have promised to come out again when the weather is suitable.

Midget practises are underway at the Mission rink and the juvenile are joining them this week, so the coaches may determine whether it will be possible to field two teams in these age groupings. In all, over three hundred youngsters are participating in the St. Albert Minor Hockey, guided by twenty seven adults and six juvenile aged fledgling coaches. The directors wish to make it clear that it is intended to provide hockey for all St. Albert youngsters who wish to play and if necessary, clinics similar to those provided for the Shavers will be provided for the older boys who have had no chance till now to learn to skate and play.

A note from the directors. If anyone has any hockey equipment stored away, it would be appreciated if they would contact Jim Byrne at the Jack and Jill Shop, as there are several youngsters who are not as fortunate as the rest of the boys, and are badly in need of skates, pads, etc., that will make the difference between participating fully in their favourite game, or being forced to watch from the sidelines. Please take a look in those trunks and send some of that equipment down to Jim.

CLUB NOTES

The St. Matthew's Women's Auxiliary held a corporate communion service, dinner at 8:15 a.m. A breakfast auxiliary meeting will follow at the home of Mrs. J. Boxendale, 824 W. 12th St.

The Father Macombe Chapter 2269 hosted a Christmas party at the Residential School, Sunday, December 14. The entertainment was provided by the St. Matthew's School. Light and tap dances were performed by students of Mrs. Platten's school. A very enthusiastic applause from the guests was enjoyed. A carol sing song at 10:30 a.m. was enjoyed by all, particularly the resident students of the Indian School, who sang out with real Christmas spirit. Lunch and treats were served by the I.O.D.E. chapter members. Mrs. L. Wheatington convened the affair which was a truly enjoyable afternoon get-together for all concerned.

The second meeting of the ladies of the Presbyterian congregation, held at the home of Mrs. M. Harvey, 27 Balmora Drive, was conducted by Mrs. Margaret Fraser and Mrs. Pat Peterson. Mr. Fraser led the group in devotions. The ladies decided to call their group "The Darning Fish Society", from the darning fish, emblem of the Presbyterian Church. A slate of officers were elected for the new year. They are: president - Mrs. Doreen Hanna 599-6016; vice president - Mrs. Margaret Hanna 599-7411; secretary - Mrs. Susan (and) treasurer - Mrs. Susan (and) 599-7676; telephone and webster - Mrs. Lillian Lourie 599-6749.

Prospective projects were discussed, such as a spring tea. The first project will be to serve lunch to the congregation following the Christmas Pageant on December 22nd.

Lunch was served by the hostess, Mrs. Harvey and the meeting closed with the Mizpah benediction.

A cordial welcome is extended to all ladies to attend the next meeting on January 6, at 8:15 p.m. at the home of Mrs. Jean Dobbie, 26 Birch Drive, phone 599-6831.

The United Church women held their Christmas party and meeting recently. At this meeting the 1964 executive was elected. They are as follows: president - Mrs. Govenlock; vice president -

CHERCHEZ LA FEMME

by Merle Vacirca

continued from page 16

Jessie Glendenning; secretary - Mrs. Ingle; treasurer - Mrs. Richardson; program convenor - Mrs. Upright; friendship, visiting and membership - Mrs. Wilson.

Two new units have been formed, in Braeside and Grandin Park, bringing the total up to four.

The Rededication Service, at which the new executive will be installed, will be at the evening service on January 5th. All United Church Women are invited to attend this service.

ROSE OF THE WEEK

We promised a rose of the week this week but it has been impossible to arrange. Ladies and organizations are asked to submit a sketch of their nominees contributions to St. Albert. We are sorry, but just a name is not enough. If response is not greater, we will discontinue this feature until after Christmas. Think it over. There's certainly some one you know worthy of recognition and thanks. Send the name and information to Box 569, 1147, or drop it in the Gazette Box, 45 Sunset Blvd.

? WHAT'S COOKING ?

The draw for the 20 lb. turkey from Dave's Meat Market will take place Monday, December 16th, and the winners name announced in next week's paper. Get your recipes in soon. In fact, send it to-day, you may be lucky. Here are this week's entries:

Tomato Shrimp Salad

- 1 pkg. lemon jello
- 1 small tin or 2 cups tomato juice
- 1 tin of shrimp
- 1/2 cup sliced celery
- 2 Tbsp. thinly sliced onion
- 2 Tbsp. vinegar
- 1/2 tsp. salt
- 1 tsp. Worcestershire sauce

Bring tomato juice to boil, add lemon jello. Stir in rest of ingredients and pour into mold and cool until set.

Mrs. J. Leggett

Fruit Bread

- 2 eggs
- 1 cup sugar
- 1 cup milk
- 2 Tbsp. melted shortening, cooled
- 1 tsp. salt
- 1 cup Christmas cake fruit
- 3 1/2 cups sifted flour
- 3/4 tsp. baking powder

Beat eggs and sugar, add milk and shortening, mixing well. Stir in salt and fruit. Fold in flour which has been sifted with baking powder. Pour into 2 well greased 7 1/2 x 3 1/2 inch bread pans or a well greased tube pan to make a wreath. Let stand 20 minutes. Bake in 350°F oven for 60 minutes.
